## TIA S. MILLER

Greetings! My name is Tia and I am a Creativista! I love creating activities and events for children! I am a mom, teacher, entrepreneur, coach, event planner and ultimate organizer! If you were to ask any of my friends to describe me, it sure would be "creative" or "superior attention to detail!" So I created Creativista Charm! I hope to delight and charm you with my creativity!

## ABOUT

I started my first business when I was just 10 years old! I put together performances in my backyard for my neighbors and charged them an entrance fee. I paid the actors (my friends) and sold snacks. From an early age, I knew I wanted to be an entrepreneur. In 2009, I opened **Connecticut's First Drop-in Childcare Center**. We offered full-time, part-time, hourly, drop-in and evening child care. We were opened until 11 pm on Friday and Saturday evenings. After teaching for 20 years, I realized my students were eager for social activities on the weekends. In November 2017, I organized the first teen night in Hartford, CT. With only fifty kids in attendance, I felt the buzz to keep going. As of January 2020, we have had over 40 teen nights throughout the state of Connecticut. Our highest number of student attendees to an event was 507 students. We plan to expand in 2022 with bringing teen nights throughout the East Coast. My goal is to have a teen night event brand that provides a safe party environment for students to engage and have fun throughout America.

## INSTAGRAM STATISTICS

I started my **@CT\_Teen\_Nights Instagram** page in November 2017. I've built a following of **Hartford** youth to **Connecticut** youth and now Nationwide and Worldwide followers. We have had teens participate on our IG Live events as far as **London, UK and Milwaukee, WI**. We currently have over **5,700** teens followers on Instagram. We expanded our teen brand to South Florida which is called **Teenotic Live!**

**"Social Media creates and builds strong communities, not markets."**

---

Creativista Charm LLC provides creative solutions for children through tutoring, after-school programs, summer camps, classes, events & much more!

Creativista: a person who gives birth to creativity; designer, promoter, or innovator of the latest creative ideas.

“Creativista” comes from the Spanish suffix “ista” denoting a person associated with a particular activity, often with a humorous intent such as ‘fashionista’.
